

# ASHWIN MUNASHE NYAMAINASHE

**Software Developer | Computer Technician | IT Support**

**Phone Number:** +971581958644

**Email:** [ashwinnyamainashe@gmail.com](mailto:ashwinnyamainashe@gmail.com)

**Visa status:** Visit visa

**Date of birth:** 29 August 1999

**Country of origin:** Zimbabwe

## SHORT INTRODUCTION

I am a dedicated IT professional with expertise in both front-end and back-end development, adeptly navigating all phases of the software development life cycle. Proficient in a range of programming languages, including C++, C#, .NET, HTML5, PHP (Laravel framework), Power Bi, Flutter, React.js, Java, and MySQL. My well-rounded skill set is complemented by a strong background in project management and customer service, highlighting my commitment to excellence. A proactive learner, I continually enhance my knowledge and explore new study areas to stay at the forefront of industry trends.

## ACADEMIC QUALIFICATIONS

**Bachelor Of Science Honors Degree in Information Technology**

## AWARDS AND ACHIEVEMENTS

- OPSWAT Data Transfer Security Associate (ODSA)
- OPSWAT File Security Associate (OFSA)
- Github.com/Ashwin2926

## SKILLS

- Good creativity and multi-programming languages knowledge,
- Quick to adapt to new environment
- Good communication and people skills;
- Proven experience in multitasking;
- Strong computers background

## EXPERIENCE

**|Flutter Developer | |Appifysite.com, Nicosia- Cyprus| |From Dec 2022 - Nov 2023|**

- Monitoring Performance: Regularly tracking the performance of applications to ensure they operate efficiently and effectively without any slowdowns or interruptions.
- Bug Fixing: Identifying and resolving any bugs or glitches that may occur, ensuring the application runs smoothly for all users.
- Development: Writing clean, efficient, and maintainable code to develop new features or applications from scratch
